

BCU Award Training Weekend 19 - 20th May 2012

This year's Paxmead Training weekend is for over-13s (Guides, Scouts, Senior Section, Explorers & Adults) and we are aiming to cover most elements of the BCU Two Star Award, with an assessment on the Sunday afternoon. Candidates for this should already hold their BCU One Star Award. The weekend will include 2 2/3 Star 'journeys' and a 'Whitewater' session at one of the weirs. We're also aiming to offer an introductory 3 Star session and, subject to demand, a BCU 1 Star Course for adults new to Paddlesports. The exact programme will be circulated once we know the requirements of the participants and the available coaches, but expect lots of wet stuff.

The course is being run from 9.30am - 4.30pm daily at Paxmead Riverside Base, Dockett Eddy Lane, Shepperton, TW17 9NT, over the weekend of 19/20 May 2012. Candidates may attend either or both days at a daily cost of £20, which includes lunch and hot drinks. You will need to bring sufficient personal kit but boats, paddles, helmets & buoyancy aids are provided. Uniform is not required.

Spaces are offered on a first come : first served basis. To book your place or request further details, please email keithaxbey@btinternet.com to confirm the availability of spaces and then forward the form below (mailing details will be advised to participants separately).

✂-----

I would like to attend the Paddlepower Training Weekend at Paxmead on Saturday 19th and/or Sunday 20th May 2012(*).

I enclose a cheque for £20/£40(*) payable 'Paxmead Guide Association'.

I am interested in One Star/Two Star/Three Star Introduction*

(* Please indicate which)

The organisers should be aware of my following medical/dietary requirements:

Name: _____ Age (if under 18*) _____ M / F

Unit/Group: _____

E-mail: _____

Emergency Contact Telephone number for 19/20 May: _____

Parent's signature if under 18: _____

Date: _____

*Guides will need to complete the new Information and Consent for Events/Activities Form available from your Guider. (Scouts/Explorers please email Keith Axbey for a form)
